5. FTMO PLAN - Monday se

Maqsad: asli FTMO challenge sirf tab jab demo + sim dono saaf hon. Koi risk hadd (risk %, din 4%, kul hadd) khud se NAHI barhayi jayegi.

Hafta 1 (9-13 Nov): data + faisle - koi faltu test nahi

• **Mon:** aap data push karein -> Claude sirf jaanch kare (gap, timezone, BID/ASK). Koi naya test nahi.
• **Mon:** FTMO demo 474832446 ka SS (sec 0 update). Hafte mein 2 SS kaafi (Mon + Jumma).
• **Discuss (aap faisla):** (a) Kachhua e1 0.25% demo par #68 ke saath? (b) B1 aur B2 mein se kaun pehle? (c) FTMO swap-free: jawab aa chuka (5 Nov)
• **Qaida pehle:** jo strategy chuni, us ka qaida TEST SE PEHLE likha jaye (TALAASH 2012-18 / IMTIHAN 2019+ ek dafa, PASS shart pehle se).

Monday 9 Nov - kaam ki list (haal 9 Nov)

#	Kaam	Haal

8	Discuss (a)(b)(c) upar wale	baqi

Hafta 2 (16-20 Nov): ek strategy ka test + judge

• Chuni strategy: TALAASH -> PASS ho to IMTIHAN ek dafa.
• **Judge agent** (aap ki ijazat se): alag code se wahi nateeja dobara - CLEAN ho tab hi maana jaye.
• PASS -> FTMO sim (#68 + nayi) - fail 0 rahe aur pass/median behtar ho tab jor.
• FAIL -> band, wahi idea dobara tweak nahi (qismat ka jaal).

Hafta 3-4 (23 Nov - 4 Dec): demo + asli FTMO ki tayyari

• Naya EA (agar PASS) pehle Exness demo par, F7 + Tester milaan.
• **Black Friday (~26-30 Nov):** ftmo.com checkout par asli offer dekhein (pichle saal ~20% chhoot). Paise sirf ftmo.com par; code tab jab qeemat waqai kam ho.

Asli FTMO se pehle CHECKLIST

#	Kaam	Haal

Sach - umeed kitni rakhein

• Sim mein fail 0 hai, magar pass hone ka median ~10-11 mahine. 3 mahine mein pass ka imkaan ~0%. Jaldi pass ke liye risk barhana = fail ka khatra (0.50% Kachhua par 8 fail).
• "Extraordinary" nateeja waada nahi - sirf imaandar test. Jo PASS ho, wahi lagega; FAIL wala band.
• Har naya jor / trade barhana / FTMO pass par: docs/bank.md (#59, #69, #76) yaad.

Milkar kaam ka tareeqa

• Har test: pehle aap se discuss -> qaida likha -> test -> judge -> faisla aap ka.
• Agent/judge sirf jab aap naam le kar kahein, aur hafte ki limit 50% se kam ho.
• Nayi chat: "TRADING" likhein. Chat lambi ho to "chat khatam".

6. PDF / file kaise kholein (free)

• **Sab se asaan (install nahi):** PDF par right-click -> Open with -> Microsoft Edge ya Google Chrome.
• **Free PDF reader:** SumatraPDF - www.sumatrapdfreader.org (halka, free, bina ads). Ya Adobe Acrobat Reader (get.adobe.com/reader, free).
• **Notepad:** PDF Notepad mein theek nahi khulti - is liye isi ka .txt version bhi saath hai (JAS_FTMO_Plan_Monday.txt).
